Erratum

By mistake, in the original paper by S. Baba et al. entitled "Isolated Corticotrophin-deficiency found through Alcohol-Induced Hypoglycemia Coma" (Horm.Metab.Res. 8: 274-278, 1976) in Table 2 on page 276, three lines were missing after the line "TRH-Test". The correct Table reads as follows:

Circadian Variation of Plasma Cortisol						
9:00 am.	4:00 pm.	11:00 pm.				
1.2	2.6	2.7				
						µg/100 ml
Urinary 17 OHCS and 17 KS
