Erratum

Stereoselective Synthesis of Stagonolide G from D-Mannitol

Chebolu Naga Sesha Sai Pavan Kumar, Mettu Ravinder, Singam Naveen Kumar, Vaidya Jayathirtha Rao* *Synthesis* **2011**, 451.

The structure for the synthesized stagonolide G has been revised according to the structure given in *Org. Lett.* **2010**, *12*, 5752. The final product in Scheme 4 is thus revised as per the new data available from the reference cited above.

Scheme 4 Reagents and conditions: (a) 2,4,6-trichlorobenzoyl chloride, Et₃N, anhyd THF, r.t., 2 h, DMAP, toluene, r.t.; (b) HF-pyridine, anhyd THF, 0 °C→r.t.; (c) Grubbs II catalyst, anhyd CH₂Cl₂, reflux; (d) Na, liq NH₃, anhyd THF, −78 °C
