This is my last issue as Editor-in-Chief. After 6-long-years, it is time to bid good-bye. It has been a long, hard journey and I am happy to hand over the reins to new blood.

Dr. Sanjay Jain is taking over as Editor-in-Chief and has been instrumental in bringing out the August and November

2012 issues as quickly as possible given the constraints that we had.

I wish the team the very best. I know that the journal is in great hands.
