

## Retraction: Characterization of follicle populations in mare ovaries: from preantral to preovulatory follicles

Editorial Board of Journal of Morphological Sciences

### *Retracted article:*

LEONEL, ECR., BENTO-SILVA, V., COSTA E SILVA, EV. and ZÚCCARI, CESN. Characterization of follicle populations in mare ovaries: from preantral to preovulatory follicles. *Journal of Morphological Sciences*, 2015, vol. 32, n. 3, p. 176-181. <http://dx.doi.org/10.4322/jms.084715>

### *Retraction date:*

September 16th 2016

### *Retraction requested by:*

All authors.

### *Retraction type:*

Honest error that generated a duplicate publication.

### *Comment:*

Due to honest error the typesetting service provider of J. Morphol. Sci failed to remove an article from its production workflow despite having acknowledged the Editors and Author's request to do so. As a result the article was published by J.

Morphol. Sci in redundance after been already published by ENCICLOPÉDIA BIOSFERA. Thus, Authors and Editors would like to jointly withdraw the article aforementioned and **recommend that all citations be made to the article published by ENCICLOPÉDIA BIOSFERA** (LEONEL, BENTO-SILVA, COSTA E SILVA et al., 2015).
