

European Federation of Societies for Ultrasound in Medicine and Biology

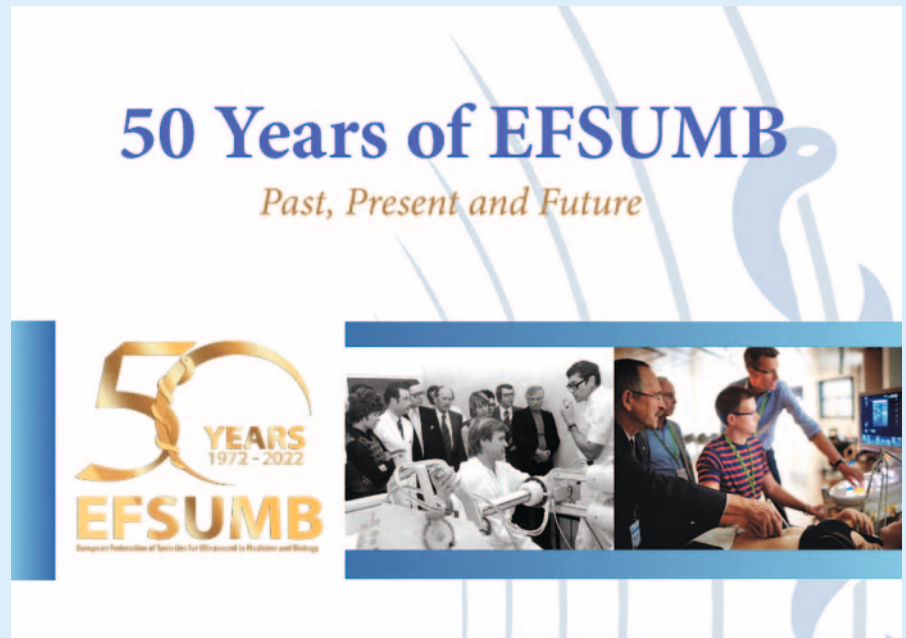

EUROSON 2022 Timisoara, Romania

We are looking forward to seeing many of you at our congress this month. Congratulations to our Romanian colleagues for their optimism and determination that the event should take place. We have an exciting programme with international speakers and eight parallel sessions and the congress has been granted 19 European CME Credits by the European Accreditation Council for Continuing Medical Education. The EFSUMB Young Investigator Session with six participants vying for the 3000 euro prize and the winner of the Best Published Paper 500 euro prize will be announced.

The 50th anniversary of the founding of EFSUMB is going to be celebrated with a souvenir booklet for all our participants and a quiz based on historical images with three prizes – free registration for EUROSON 2023 Riga, Latvia, a one year's free subscription to EFSUMB's journal *Ultraschall in der Medizin/EJU* (courtesy of Thieme Verlag Stuttgart) and the complete online 2nd edition of the EFSUMB Course Book.

If you would like to win a free congress registration for WFUMB 2023 we invite you to contribute a Case of the Month to the EFSUMB website. The two best submissions as judged by the EFSUMB Publications Committee in the next year will be offered this prize. This continues to be the most viewed item on the EFSUMB website and a template is available on the website <https://efsumb.org/cotm-submissions/>

When the pictures learned to move ... *The Anniversary Ultrasound Quiz*

Step back in time to the early years of diagnostic ultrasound by participating in this historical ultrasound quiz! Not only can you gain new insights, but also these prizes:

- 1st Prize:** Free registration to the 34th EUROSON Congress in Riga, Latvia (May 25-27, 2023)
2nd Prize: A one-year free subscription to *Ultraschall in der Medizin/EJU* (donated by Thieme-Verlag Stuttgart)
3rd Prize: The complete online second edition EFSUMB European Ultrasound Course Book

Please use the enclosed answer sheet and drop it into the box at the EFSUMB Booth!

There are 16 multiple choice questions - questions are displayed in the booklet with the multiple choice answers available on the answer sheet.
