

# European Federation of Societies for Ultrasound in Medicine and Biology

## STUC at EUROSON 2023

### Student Ultrasound Congress (STUC)

during

**EUROSON 2023**  
MAY 25-27, RIGA, LATVIA

STUC is an international medical students ultrasound congress which is part of EUROSON 2023 taking place May 25-27, 2023. It is a scientific event specifically for medical students, aiming to familiarize them with the uses of ultrasound as a diagnostic and interventional procedure.

STUC congress will have the scientific support of senior clinicians from Europe. The congress will be student friendly with hands-on sessions and interactive activities conducted by ultrasound enthusiastic students. Lectures will cover both basic and more advanced topics, hands-on stations with portable and handheld ultrasound devices.

**STUC Abstracts Committee:** Maryla Kuczyńska, Nils Daum, David Boten, Roxana Sirli, Dieter Nuernberg, Laura Keisa

**STUC Programme Committee:** Caroline Ewertsen, Roxana Sirli, Codruta Constantinescu, Sophie L Sängner, Emilia von Bohlen

#### Abstracts submission guidelines

Participants are invited to submit their ultrasound abstracts including research or case presentations by 15 February 2023.

The main topics of interest for abstracts submission include ultrasound education, ultrasound medical research and ultrasound in student medical practice.

Several cash prizes will be given to authors of the best submitted abstracts. Submissions can be made at <https://www.euroson2023.com/submit-abstract/>

- o Abstracts must be submitted in English
- o The length of the abstract should be a maximum of 350 words, excluding title, authors, and affiliations
- o The selection of the abstracts will be done by the Student Abstract Committee comprising students and EFSUMB lecturers
- o The main author will be notified regarding the selection of their material and to the presentation format, oral communication or poster
- o The abstract must highlight the importance of the theme and the originality of the study, its purpose, the characteristics of the case and the relevance of the approached subject in the context of today's knowledge
- o The title must be typed using Capital letters, Times New Roman font, size 12, Bold
- o There should be a maximum of six authors per abstract
- o The identification of the author must include the following information in the following order: First name, Last name, Institution, Department, City, Country
- o The body of the abstract should use Times New Roman font, size 12, single space, maximum 350 words
- o The abstract must not contain any graphics, tables, pictures, or other types of figures.

#### Location & Accommodation

We will hold EUROSON 2023 in Atta Centre, one of the Baltics' most prominent convention centres. It lies on the bank of the River Daugava on 60 Krasta Street. The venue is an innovative multifunctional complex that combines all the necessary services for modern events.

All suitable accommodation is listed on our website at <https://www.euroson2023.com/accommodation/>

#### Registration

The registration fee for medical students is 150 euro for 25 – 27 May 2023, covering the participation at the student's congress which is held at the same time and venue. Proof of medical student status is required at the registration desk. You can register at <https://www.euroson2023.com/register/>
