Li-Ya Wang, Wen-Che Tseng, Hui-Yi Lin, Fung Fuh Wong *Synlett* **2011**, 1467.

I wish to acknowledge that our *Synlett* publication was composed of experimental data that are a duplication of those contained in a paper by the same authors in *Tetrahedron* **2011**, *67*, 5339. In addition, I note the unfortunate omission of respective cross references to this publication. As a result, I retract this *Synlett* paper. I apologize for these serious errors in judgment.

Sincerely,

Fung Fuh Wong (Graduate Institute of Pharmaceutical Chemistry, China Medical University, No. Hsueh 91, Shih Rd., Taichung, Taiwan 40402, R. O. C.)
