

Recent Uses of Kröhnke Methodology: A Short Survey

I. Sasaki*

Synthesis **2016**, 48, 1974–1992.

A recent review has unintentionally been omitted in this Short Review. The reference is:
Jacobs, J.; Van Hende, E.; Claessens, S.; De Kimpe, N. *Curr. Org. Chem.* **2011**, 15, 1340.

The author apologizes for the initial omission of the reference.
