

A Novel Cascade Benzyne Nucleophilic Addition/Fries Rearrangement for Entry into 2,3-Disubstituted Phenols

Sarah M. Bronner*

Daniel Lee

Vlad Bacauanu

Patrick Cyr

Synlett **2017**, 28, 799.

In the e-first version of this article, compound **1** in Table 2 was missing a triflate group. This has been corrected for the final online and print versions.
