## ERRATUM

It has been brought to the Publisher's attention that there is an error in the following sentence in the abstract of the above article published in *Neuropediatrics*, Volume 48, Number 2, 2017, page 79 (DOI: 10.1055/s-0036-1593374): Neurological findings included headache in 16 patients (72.7%), epilepsy in 6 patients (27.3%), pseudotumor cerebri in 2 patients (9.1%), multiple sclerosis in 1 patient (4.5%), and tremor in 1 patient (4.5%). The correct sentence should actually be "Neurological findings included headache in 16 patients (72.7%), epilepsy in 6 patients (27.3%), pseudotumor cerebri in 2 patients (9.1%), tremor in 2 patients (9.1%), and multiple sclerosis in 1 patient (4.5%)."
