## ERRATUM

The authors have informed the Publisher about an update in the above-mentioned article. The DOI of the original article is: <https://doi.org/10.1055/s-0041-1740323> (published efirst on February 2, 2022). The changes are presented in bold in the following two sentences:

1. The sentence “The progression-free survival observed in these patients was 28 months and 36.3 months, respectively.” in the abstract should be read as “The progression-free survival observed in these patients was 28 months and 45 months, respectively.”
2. The sentence on page 2 left hand side column 8th paragraph “Patient 2 (BSK) has had a PFS of 36.3 months and has shown no signs of relapse at the time of submitting the manuscript.” should be read as “Patient 2 (BSK) has had a PFS of 45 months and has shown no signs of relapse at the time of submitting the manuscript.”
