

Erratum

Fig. 2 in the article “Impact of Diabetes Mellitus on Cardiac Surgery Outcome” by Bucarius J et al., Thorac Cardio Surg 2003; 51: 11 – 16 was incorrectly printed.

We apologise for this error.

Please refer to the following correctly printed figure:

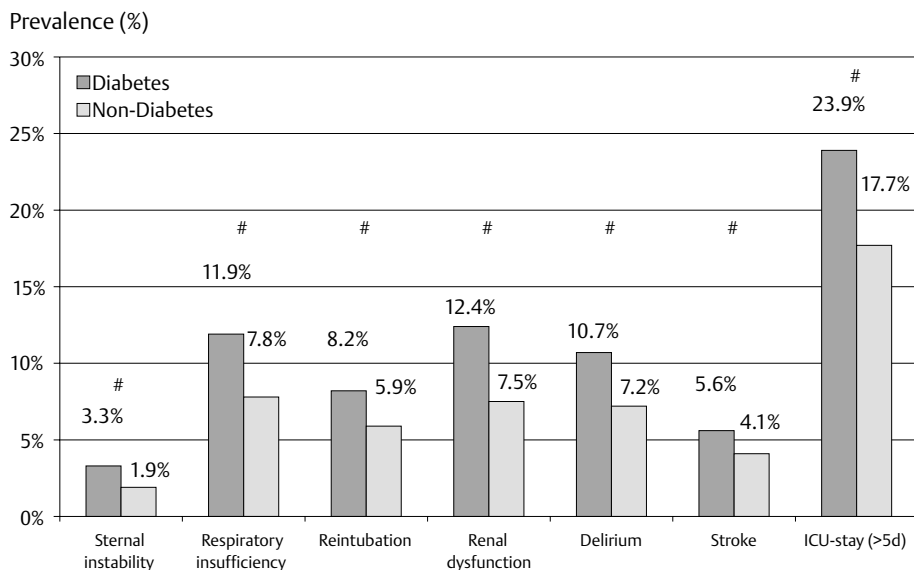

Fig. 2 Prevalence of perioperative outcome variables associated with diabetes mellitus in patients with and without diabetic disease. #: $p < 0.0001$.
