Reductive Ring Opening of Oxygen-Containing Benzo-Fused Heterocycles by an Arene-Catalysed Lithiation

Miguel Yus,* Benjamín Moreno, Francisco Foubelo *Synthesis* **2004**, 1115.

In the structure of compounds **5a,b**, both in the Abstract and in the Scheme 1, a methyl group was missed. The correct formulae are as follows:

5a (78%)

5b (55%)

The authors apologize.
