### An Efficient Preparation of 2-Imidazolines and Imidazoles from Aldehydes with Molecular Iodine and (Diacetoxyiodo)benzene

Midori Ishihara, Hideo Togo\* *Synlett* **2006**, 227.

In Scheme 1, the stereochemistry of (*R,R*)-(+)-diphenylethylenediamine, and that of the resulting product, was incorrect. The corrected scheme is shown here:
